If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in construction and procurement delivery (CPD) for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, this may be considered grounds for termination of the contract at your expense as provided for in the Conditions of Contract. In lieu of termination, CPD may issue a Notice of Written Warning or a Notice of Unsatisfactory Performance. A supplier in receipt of multiple Notices of Written Warning or a Notice of Unsatisfactory Performance may, in accordance with The Public Contracts Regulations 2015 (as amended), be excluded from future public procurement competitions for a period of. up to three years..

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

CPD will comply with the Public Contracts Regulations 2015 (as amended) and, where appropriate, will incorporate a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract is communicated to tenderers. That notification will provide full information on the award decision. This provides time for the unsuccessful tenderers to challenge the award decision before the contract is entered into.
