II.1.4) Short description

The NHS Sussex Integrated Care Board is looking to procure prescribing decision support software to promote evidence-based best practice, safe and cost-effective prescribing that needs to be fully integrated within TPP SystemOne and EMIS Web GP Clinical Systems.

The Commissioner is seeking the views of Healthcare Providers in relation to the provision of Prescribing Decision Support Software Services in Sussex. The Commissioner is considering a contract period of 3 years with an option (of the commissioner) to extend for period of up to 2 further years (3+2), this remains subject to further review. The anticipated contract value is approximately £500K per annum.

This is a process designed to help the Commissioner to form a view of the best way to commission the service and is not the beginning of a Tender exercise. A Tender advertisement may be issued at the appropriate time, if required, should the Commissioner consider that the optimum route to commission the service is through a procurement process.

Please complete your response and return via the Atamis eTendering Portal, reference: Prescribing Decision Support Software Service 23.927 - Request for Information (RFI) by 12pm on Monday 3rd July 2023.

Interested providers will be able to view this notice via the 'Live Opportunities' list on the e-procurement system, Atamis, available on the following link: <https://health-family.force.com/s/Welcome>
