Description

Manchester City Council is looking to procure a framework for Provision of Fencing, Street Furniture and Landscaping Works.

The framework period will be for 3 years with the option to extend for an additional 1 year .

It is intended that Manchester City Council will award this framework to the 2 highest scoring tenderers, subject to meeting the Award Criteria stated in the ITT documents.

TC030 serves as a vital framework to deliver specialist landscaping, fencing, and street furniture works in support of the Highways Maintenance Service throughout the entire city.

This contract encompasses a broad spectrum of activities, ensuring that all

enhancements to the public highway environment are carried out with professionalism and attention to detail.

By establishing clear standards for quality and compliance, TC030 guarantees that every project, whether it involves planting, erecting fences, or installing street furniture is completed to the highest specifications.

The successful tenderer will become an integral part of the service, working in close collaboration with the Highways Maintenance team to ensure consistent and high-quality delivery across all public spaces.

These works not only improve the safety and functionality of highways and public areas but also contribute to the overall visual character and appeal of the city. Through TC030, the city benefits from a unified approach to maintenance and improvement, supporting a welcoming and resilient urban landscape for all residents and visitors.

The Council is using the e-business portal known as the Chest. Applicants will need to register their details at the following link www.the-chest.org.uk . Once registered, applicants will be emailed a log-in and password which will allow them to gain access to the documentation relating to this opportunity.
