II.2.4) Description of the procurement

This Prior Information notice (PIN) is seeking to gain an understanding of the waste management market, provide awareness of a future contract opportunity for waste management and engage with the market on key areas to influence the proposed procurement prior to the commencement of a procurement process under the Public Contracts Regulations 2015. To obtain feedback a questionnaire has been provided. For details of how to access the questionnaire please refer to question VI.3 Additional Information towards the end of this notice.

London Universities Purchasing Consortium (LUPC) is working with HEPCW, NEUPC, NWUPC, SUPC and CPC and their respective Member Institutions to develop a new framework agreement for the provision of waste management services to include but not be limited to the collection, treatment, recovery, reprocessing and disposal of General Waste, Dry Mixed Recycling, Hazardous, Chemical, Clinical, Bulky, Wood, Metal, Food and Confidential Waste. The potential new agreement is to replace our existing agreement which is due to expire in March 2023.

A full list of the UPC's and CPC's Member Institutions may be found at:

Our Members currently manage their waste in a variety of different ways. Contracts are either awarded through the current LUPC Waste Management (Sustainable) framework, other frameworks, or via Members' own tender processes. Members may use a main contractor under a total waste management approach, or different contractors for separate waste streams, and some may use local councils for domestic waste from halls

of residences.

II.2.14) Additional information

The proposed new agreement is likely to be divided into lots. The structure of the lots have not yet been decided and will be based on this market consultation and input from our members. Details of the finalised lot structure will be set out in the Contract Notice.

II.3) Estimated date of publication of contract notice

12 September 2022
