This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE - Yorkshire and the Humber

II.2.4) Description of the procurement

Yorkshire Water are seeking a Partner to provide a NEC compliant Contract Management Software system, in addition to providing consultation, support, maintenance, hosting, and continuous software development of YW custom web applications known as Project Management Plan (PMP) and Payment Portal (PP). All 3 systems are required to support the YW Capital Delivery Programme as we head into a new Regulatory period known as AMP8.

The Contract Management System should support the effective implementation and administration of NEC4 contracts and be able to be integrated with PMP & PP.

The scope of this service is to also provide Yorkshire Water with NEC specific knowledge and guidance to stakeholders at Yorkshire Water and overall process reviews.

II.3) Estimated date of publication of contract notice

3 July 2024

Section IV. Procedure
