Lot constraints

Description of how multiple lots may be awarded:

London Metropolitan University reserves the right to award either Lot 1 and 2, to separate suppliers, or Lot 3, to a single supplier, based on the responses received and the most advantageous offer.

Lot 1. Integrated Software Solution Implementation and Support

Description

For information on Lot One, Integrated Software Solution Implementation and Support, please see tender documentation.

Lot value (estimated)

- £1,000,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. Hardware Solution Implementation and Support

Description

For information on Lot 2, Hardware Solution Implementation and Support, please see the tender documentation.

Lot value (estimated)

- £1,000,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 3. Integrated Software and Hardware Solution Implementation and Support

Description

Lot 3 is the combination of Lot 1 and Lot 3, Integrated Software and Hardware Solution Implementation and Support. Please see the tender documentation for information on these lots.

Lot value (estimated)

- £1,000,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Competitive flexible procedure

Competitive flexible procedure description

Procurement procedure

The procurement procedure being applied to the Contract is a 'competitive flexible procedure' under section 20(2) of the Act. The most advantageous submission will be identified by a five-stage process as set outlined below, and set out in more detail in the Invitation to Participate within the tender documentation.

Stage 1 (Participation Stage): Request to Participate and PSQ - Selection of Participants to be invited to tender

Stage 2: Tendering and Negotiation

Stage 2 Phase 1: Tender submission, Evaluations and Presentation

Stage 3: Identification of preferred bidder (for each Lot)

Stage 4: Notification of Preferred bidder (for each lot)

Stage 5: Standstill to entry into contract(s)

Please see the tender documentation for a full description of each stage.

Please note, the award criteria will not be refined during the tender process.
