The Contracting Authority is issuing this Prior Information Notice (PIN) as a Request for

Information (RFI) to engage with the market and to gather information in order to gain a better understanding of both the capacity and appetite of the market in delivering the proposed services, and to alert the market to a future tender opportunity.

It is important to note that this PIN/RFI is not a call for competition and as such you will need to express your interest in any future tender opportunity once the contract notice is published in Find a Tender and on Contracts Finder.

It should also be noted that this PIN/RFI invites individuals and organisations to express an interest in this RFI exercise only, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process.

This PIN/RFI is intended as an awareness, communication, and information gathering exercise. An expression of interest is no indication of a commitment to participate in the RFI process nor does it infer any preferential or special status on those individuals and organisations who express an interest in the RFI exercise.

NECS is utilising an electronic tendering tool to manage this RFI exercise and communicate with potential providers. Accordingly, there will be no hard copy documents issued to potential providers and all communications with NECS, including RFI submissions, will be conducted via Atamis: <https://health-family.force.com/s/Welcome>

The RFI documentation will be accessible from 16 June 2023 and completed RFI responses must be submitted by 5pm on 07 July 2023.
