- 50232200 - Traffic-signal maintenance services

II.2.3) Place of performance

NUTS codes

- UKL22 - Cardiff and Vale of Glamorgan

Main site or place of performance

The Vale of Glamorgan

II.2.4) Description of the procurement

A call of contract for the provision of a service that maintains the traffic control installations within the area of the Vale of Glamorgan. The maintenance involves:

- Contractor to undertake a survey of each asset within three months of Contract award and record individual itemised asset within their own asset management system for ease of use throughout the management of the Contract.
- The Contractor is responsible for maintaining their own asset inventory, however this data remains the Council's and is required to be shared when requested for the full duration of Contract (Potentially 5 Years) This data will need to be shared Microsoft Excel format for bulk import into our own asset system, known as Confirm.
- attendance and investigation of faults reported by the Council;
- minor repairs to rectify any faults found and to bring the installation back into service;
- replacement of faulty components to bring the installation back into service;
- periodic inspections as detailed in Appendix G;
- liaising with Western Power Distribution ("WPD") to resolve power supply failures;
- provision of chargeable repair / minor upgrade works utilising a schedule of rates (Appendix J).

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
