II.2.4) Description of the procurement

ECC is looking to commission provider(s) who can lead the delivery of an Essex wide, place focused, asset led model to support the work of the Voluntary and Community Sector (VCS) with a proposed contract commencement date of 1st April 2024. The contract value has been estimated as an indicative budget of £651,674 per annum over a five plus two year term, subject to governance but with an additional 15% allowance for unforeseen potential services to be added at a later date.

We are seeking to identify provider(s) who can bring together the right partners with the expertise to deliver the outcomes focussed specification for this commission, to facilitate, grow and support the development of the VCS sector.

Please be advised that the successful provider(s) are not due to directly deliver services. The key outcomes for the new offer will be to build capacity and develop resilience within the VCS, the facilitation and connection of local assets, delivery networks and partners, supporting place-based working, by ensuring local place-based representation. In addition, the new offer will act as an advocate for the VCS in the wider system, facilitating their voice at strategic conversations and promoting and co-creating a Local First approach. Utilising hubs of local insight the provider(s) will convene the right local delivery partners to collaboratively address societal challenges where necessary. Flexibly deploying resource to data-led geographies and cohorts of greatest need.
