## Section VI. Complementary information

### VI.3) Additional information

CFL's general conditions of the procurement will be published in the ITT. In the meantime, economic operators should note that the conditions of the procurement include (but are not limited to) the following:

— the eligibility requirements in this contract notice will always apply to the procurement. Economic operators may be excluded from this competition if the economic operator no longer meets the selection criteria set out in the contract notice at any stage during the competition and/or there is a change in identity, control, financial standing or other factor impacting on the selection process affecting the economic operator,

— CFL is subject to the requirements of the Freedom of Information (Scotland) Act 2002 and the Environmental Information (Scotland) Regulations 2004. Accordingly, all information submitted to CFL may need to be disclosed and/or published by it in response to a request under FOISA or the EIRs and economic operators will remain responsible for all costs and expenses incurred by them in connection with this competition. CFL will not be liable to reimburse or compensate any costs incurred in connection with an economic operator's participation in this competition, including any costs or other liability in respect of the cancellation of the process.

The award criteria questions and weightings are set out in the ITT made available with this notice. B

Award criteria scoring will be the following:

0: Unacceptable;

25: Poor;

50: Acceptable;

75: Good;

100: Excellent.

These ITT questions shall be grouped as either belonging to mandatory pass/fail type questions or questions which shall be scored and weighted.

Where a supplier has been assessed to have failed a pass/fail question their tender submission shall be deemed non-compliant and excluded from that point forward within the

ITT process.

If a supplier fails to achieve a score of 50 out of 100 for all areas of technical and quality, CFL reserves the right to disregard the tender submission as failing to achieve a suitable minimum standard as detailed in the ITT.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 16920. For more information see:
