The external audit plan and strategy for the year end accounts 2024/25 has been signed off by the WRAP Board and the audit activities are already underway. Timelines for the Innovate UK & NREF Grant Audits mean that work can be carried out at the same time as the statutory audits and in the case of Innovate UK, Sayer Vincent have existing knowledge of this project having completed the Q1 audit in 2023. Sayer Vincent's delivery of our statutory external audit increases efficiencies for the delivery of the audits of our core grant funding due to their existing knowledge of our systems and processes.
