Scope

Description

Westminster City Council is looking to appoint a suitably qualified supplier to engage with local residents to co-create, fit-out and furnish Lilestone Street Community Hub and the possibility of a second site at Brunel family centre.

Lilestone Street Community Hub and potentially the former Brunel Family Centre will be

new Community Hubs in the north of the borough, and we are looking for a supplier who will work with the Council and the community to co-create, finish and complete the fit-out of both spaces. Our ambition is that this creates a welcoming, inclusive and creative space, encouraging participation, providing support and empowering communities with knowledge and skills. Essential services and activities will in the future be delivered by an external operator in partnership with other local organisations.
