### **II.2.4) Description of the procurement**

NHS LPP are working collaboratively as the NHS Procurement in Partnership (NHS PiP) which includes the four procurement hubs: North of England Commercial Procurement Collaborative (NOECPC), East of England Collaborative Procurement Hub (EOECPH), NHS Commercial Solutions and NHS London Procurement Partnership (NHS LPP). NHS PiP are planning to tender collectively, bringing together the existing hub frameworks to one National Framework Agreement. A centralised approach to the supply of contrast media and associated & injectors/consumables products across UK at a competitive price and minimisation of supply disruption.

#### **II.2.14) Additional information**

The purpose of this notice is to request Expressions of Interest from those suppliers potentially interested in bidding for the work, as well as to assist the Authority in the development of the procurement documentation.

In expressing an interest in the work, potential suppliers are asked to review the draft specification, performance management model and pricing model and provide comments to each that could inform the Authority in the development of the documents to ensure they achieve operational delivery and industry standards.

These documents are made available on the portal following registration and receipt of the expression of interest.

Interested parties should register on the Authority's E-Sourcing Portal Login | Salesforce and express their interest into project number .

The deadline for receipt of Expressions of Interest and return of the reviewed draft documents is 17:00 hours on Friday the 21st of June 2024.

This notice does not constitute a formal call for competition.
