Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

If required, bidders are required to be enrolled in the relevant professional or trade registers within the country in which they are established.

Bidders must confirm if they hold the particular authorisation or memberships.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders will be required to have a minimum yearly “specific” turnover of (185,956.50)GBP for the last 3 years in the business area covered by the contract.

North Ayrshire Council reserve the right to review the bidders financial information including information from credit reference agencies at tender stage and throughout the life of the contract, and seek clarifications if necessary. If clarifications are not satisfactory the bidder may be excluded from the tender process.

Bidders who cannot meet the required level of turnover will be excluded from this tender.

Where turnover information is not available for the time period requested, the bidder will be required to state the date which they were set up or started trading.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's (Compulsory) Liability Insurance = [5,000,000]GBP in respect of any one event

<http://www.hse.gov.uk/pubns/hse40.pdf>

Public Liability Insurance [5,000,000]GBP in respect of any one event

Product Liability Insurance [5,000,000]GBP in the aggregate

Third-Party Motor Vehicle Insurance

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide a minimum of 2 examples of supply contracts carried out in the past 3 years that demonstrates they have the relevant experience to deliver the supplies described in the Contract Notice. The supplies must be of a similar size and scope with a minimum value of 70,000 GBP. Unsatisfactory experience will result in exclusion from the tender process.

Bidders must also provide 2 satisfactory references for the same 2 contracts on the reference templates provided. References must be completed and signed by previous customers for contracts of a similar value, size and scope. If any of the referees score the bidder less than 2 the bidder will be excluded from the tender process.

Completed experience and reference templates must be zipped and uploaded at question 4C.1 of the qualification envelope.

Bidders are required to confirm details of the technicians or technical bodies who they can call upon, especially those responsible for quality control.

Bidders who intend to use a supply chain to deliver the requirements detailed in the Contract Notice, must confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors through the supply chain promptly and effectively, and provide evidence when requested of:

- a) their standard payment terms.
- b) ?95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

Bidders unable to confirm (b) must provide an improvement plan, signed by their Director, which improves payment performance.

Bidders are required to provide evidence that their organisation has taken steps to build their awareness of the climate change emergency and how they will respond. Accepted evidence includes but is not limited to:

- a completed copy of the Bidder 'relevant contract' Climate Change Plan Template, including planned projects and actions to reduce the bidder's carbon emissions. This does not need to contain calculated carbon emissions.

Bidders are required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Bidders who intend to subcontract more than 25% to any individual organisation must ensure the SPD (Scotland) - Subcontractors Supplier Response is completed and uploaded at question 2C.1 of the qualification envelope.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

KPIs for the contract are as follows:

1. Quarterly reports to the service covering installation time from receipt of order, number of installations and any compliance issues. Report to include spend to date and a breakdown in items.
2. Quarterly review of reported complaints from Service Users.
3. Supplier must provide a monthly report to the service detailing VAT exclusions that have been applied for disabled persons.
4. North Ayrshire Council will reserve the right to meet with suppliers to dissolve any issues as and when required.
5. 90% of installations / repairs completed within the stated timescale. Confirmation of receipt of any order must be made within 24 hours of receipt.

For non-urgent requirements works must be completed within 28 days.

For urgent requirements works are expected to be completed within 48 hours or sooner where possible.

Community benefits are voluntary and any offered benefits will become contractual at tender award and will be monitored.

Section IV. Procedure

IV.1) Description
