Payment terms

Invoices are to be presented monthly in arrears by the Supplier and submitted to the Buyer within 5 working days of month end for review, verification and payment.

In support of the invoicing process, a Chargeable Work Record will be completed on a monthly basis at the end of each calendar month detailing the total time booked against each work package or resource drawdown. In addition Supplier staff will book time in the Buyer time recording system against each activity performed.

The Chargeable Work Record will be submitted to the Buyer's Project Sponsor at the end of the month for review and approval. The Chargeable Work Record will be used as evidence of work completed for submitting invoices to the Buyer.

The rates for the above will be in line with the agreed Schedule of Rates and will be verified against these each month.
