II.1.3) Type of contract

Services

II.1.4) Short description

NIW's Transport Management Group (TMG) has responsibility for a fleet of approximately 500 commercial vans in its fleet. Replacement vans are usually purchased outright on an annual basis, creating a requirement for post-delivery enhancements including shelving units, power outlets, hand washing units, conspicuity lighting, Hi-Viz chevrons, company livery, fitment of GPS tracking units and tow bars. This Contract is for the post-delivery fit out of NIW vehicles. NIW intends to order items under this contract as and when a need is identified. Additionally, NIW may also require ad-hoc 'retrofit' to older vans as and when required.
