Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

Accelerated procedure

Justification:

The current bus operator announced their intention to deregister completely 3 bus routes. Under the 1985 Transport Act if an operator makes this decision the Local Transport Authority has a duty to consider whether it wished to provide alternative services, and if it does decide to is given the powers to procure the services. Operators only have to give the Transport Authority 70 days' notice of their intention, the first 28 days are confidential. The intention is to retender the bus routes as they are currently operating to provide replacement services enabling the public to access work, education, health and essential shopping and under The Utilities Contracts Regulations 2016 regulation 45 (5) Where a state of urgency duly substantiated by the utility renders impracticable the time limit laid down in paragraph (2), it may fix a time limit which shall be not less than 15 days from the date on which the contract notice is sent.
