Engagement process description

Procurement: Bangor University is seeking to conduct a procurement to establish a contract (initially 12 months with an optional 12-month extension) for the delivery of anti-microbial resistance testing as part of research contracts awarded to the University.

Pre-Market Engagement: The tender specification and associated tender documentation is currently under development for this procurement. The University is publishing this Preliminary Market Engagement Notice to seek the views and opinions of organisations which may be interested in delivering services. For the avoidance of doubt, this is not a call for competition, the purpose is to seek feedback from the market that may inform the final specification and or procurement approach to the services.

Timescale: The Contracting Authority will complete its Pre-Market Engagement Exercise on 7th May 2025.

Additional Information: The Authority anticipates the procurement to be suitable for SMEs and expects the contract to commence on 1st August 2025. Please note the estimated total value set out in this notice is subject to external funding and the associated tender documentation for this opportunity will contain more specific information. CPV Codes 73000000, 73100000, 73200000, 73300000.
