contracting authority could not have foreseen, the overall nature of the contract is not altered and Modification value is GBP 6 000 000 which does not exceed 50 % of the original

contract value. This contingency includes sums to permit work in other Lots (as per the contract and Regulation 72 (1) (a)). To secure continuity, Task Orders issued on/after 1 July

2021 as per VEAT (2021/S 105-278047) are adjusted for inflation, calculated with the BCIS

Measured Term Contract Updating Percentages. Inflation from mid-point of original contract
