#### VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Regulation 72(1)(c) permits this extension due to unforeseen circumstances which a diligent

contracting authority could not have foreseen, overall nature of the contract is not altered and Modification value is GBP 24 000 000 which does not exceed 50 % of original contract

value. This contingency includes sums to permit work in other Lots (as per the contract and

Regulation 72 (1) (a)). To secure continuity, Task Orders issued on/after 1 July 2021 as per

VEAT (2021/S 105-278042) are adjusted for inflation, calculated with the BCIS Measured

Term Contract Updating Percentages. Inflation from mid-point of original contract to 31

March 2021 is: PSA SOR ELEC11 Rate A, Rate B/D/E, Rate C 4.9 pct, 9.2 pct and 8.6 pct

respectively, applies to Sections 1, 2, 3, 4 and 5 of Price List; Rate B/D/E applies to Sections

issue date/latest published index. For travel expenses for Response Task Orders issued outside of the Lot received on or after 1 June 2022, an additional amount for travel has been

included. It is EA's intention, upon receipt of compelling evidence, to consider the review of

certain prices in price lists for specific elements of which impact of inflation is higher than what could have reasonably and diligently anticipated. This includes: Aluminium window systems and associated items comprising glazing, flashings and insulated panels, Aluminium
