II.1.1) Title

Provision of Primary Medical Services (Dynamic Purchasing System)

Reference number

GGC0676

II.1.2) Main CPV code

- 85120000 - Medical practice and related services

II.1.3) Type of contract

Services

II.1.4) Short description

NHS Greater Glasgow and Clyde (NHSGGC) is establishing a Dynamic Purchasing System (DPS) for the Provision of Primary Medical Services.

Please note that this is not an opportunity for a particular practice. The purpose of this process is to make future opportunities quicker and more efficient in terms of the procurement process.

The DPS will be split into the following Health and Social Care Partnership (HSCP) geographical areas.

-Lot 1 – Glasgow City (South, North West and North East)

-Lot 2 - Inverclyde

-Lot 3 - Renfrewshire

-Lot 4 - East Renfrewshire

-Lot 5 - East Dunbartonshire

-Lot 6 - West Dunbartonshire

Bidders can apply for any combination of lots and should indicate which lots they are applying for in the qualification envelope on PCS-Tender. There will be no limit to the number of providers who qualify.

II.1.6) Information about lots

II.2.4) Description of the procurement

The requirement for a new GP contractor may arise as a result of the departure of the previous GP contractor providing primary medical services. The development of the DPS is to allow the appropriate process to be put in place to secure a new provider where required in a timely and efficient manner. If NHS Greater Glasgow and Clyde wishes to select a new service provider for a practice, the provider must have the capacity and capability to meet the needs of the patients by delivering high quality, patient-centred clinical services in a primary care setting.

It is expected that future providers will build on existing best practice, and focus on a community and health and social care approach. The clinical services will be delivered in an environment that provides patient care of a standard consistent with that of similar services provided elsewhere within NHS Greater Glasgow and Clyde.
