## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Provision of Primary Medical Services (Dynamic Purchasing System)

Reference number

GGC0676

#### **II.1.2) Main CPV code**

- 85120000 - Medical practice and related services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

NHS Greater Glasgow and Clyde (NHSGGC) is establishing a Dynamic Purchasing System (DPS) for the Provision of Primary Medical Services.

Please note that this is not an opportunity for a particular practice. The purpose of this process is to make future opportunities quicker and more efficient in terms of the procurement process.

The DPS will be split into the following Health and Social Care Partnership (HSCP) geographical areas.

-Lot 1 – Glasgow City (South, North West and North East)

-Lot 2 - Inverclyde

-Lot 3 - Renfrewshire

-Lot 4 - East Renfrewshire

-Lot 5 - East Dunbartonshire

-Lot 6 - West Dunbartonshire

Bidders can apply for any combination of lots and should indicate which lots they are

applying for in the qualification envelope on PCS-Tender. There will be no limit to the number of providers who qualify.

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

### **II.2) Description**

#### **II.2.1) Title**

Inverclyde

Lot No

2

#### **II.2.2) Additional CPV code(s)**

- 85120000 - Medical practice and related services

#### **II.2.3) Place of performance**

NUTS codes

- UKM83 - Inverclyde, East Renfrewshire and Renfrewshire

Main site or place of performance

Inverclyde

#### **II.2.4) Description of the procurement**

The requirement for a new GP contractor may arise as a result of the departure of the previous GP contractor providing primary medical services. The development of the DPS is to allow the appropriate process to be put in place to secure a new provider where required in a timely and efficient manner. If NHS Greater Glasgow and Clyde wishes to select a new service provider for a practice, the provider must have the capacity and capability to meet the needs of the patients by delivering high quality, patient-centred clinical services in a primary care setting.

It is expected that future providers will build on existing best practice, and focus on a community and health and social care approach. The clinical services will be delivered in an environment that provides patient care of a standard consistent with that of similar

services provided elsewhere within NHS Greater Glasgow and Clyde.

#### **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 100

Cost criterion - Name: Cost / Weighting: 0

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

180

This contract is subject to renewal

Yes

Description of renewals

The contract term is of an indefinite nature

#### **II.2.9) Information about the limits on the number of candidates to be invited**

Envisaged number of candidates: 20

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: No

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

#### **II.2.14) Additional information**

The term of the DPS will be of an indefinite nature however NHSGGC reserve the right to request updated information if required.

### **II.2) Description**

### **II.2.1) Title**

Renfrewshire

Lot No

3

### **II.2.2) Additional CPV code(s)**

- 85120000 - Medical practice and related services

### **II.2.3) Place of performance**

NUTS codes

- UKM83 - Inverclyde, East Renfrewshire and Renfrewshire

Main site or place of performance

Renfrewshire

### **II.2.4) Description of the procurement**

The requirement for a new GP contractor may arise as a result of the departure of the previous GP contractor providing primary medical services. The development of the DPS is to allow the appropriate process to be put in place to secure a new provider where required in a timely and efficient manner. ## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

With reference to ESPD question 4A.2, bidders are required to confirm that all persons engaged as a GP and undertaking healthcare duties have Valid Registration with the General Medical Council (GMC) including license to practice. This is a pass/fail question.

With reference to ESPD question 4A.2, bidders are required to confirm that all persons engaged as a GP and undertaking healthcare duties are registered on a GP Performers List. This is a pass/fail question.

With reference to ESPD question 4A.2, bidders are required to confirm that they satisfy the criteria for a contractor to enter into a general medical services contract or personal medical service agreement set out in Section 17L of The National Health Service (Scotland) Act 1978. This is a pass/fail question.

#### **III.1.3) Technical and professional ability**

List and brief description of selection criteria

With reference to ESPD question 4C.1.2, bidders are required to provide examples that demonstrate they have the relevant experience to deliver the service. Examples must be from within the last 3 years. This is a pass/fail question. If examples are not provided this will result in your tender being rejected. If the examples provided do not demonstrate the required level of experience, this will result in your tender being rejected.

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Restricted procedure

#### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

The procurement involves the setting up of a dynamic purchasing system

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

### **IV.2) Administrative information**

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date

6 September 2021

Local time

1:00pm

#### **IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates**

6 September 2021

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.3) Additional information**

The buyer is using PCS-Tender to conduct this PQQ exercise. The Project code is 19260. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

This contract is for the Provision of Primary Medical Services and a Sub-contract clause is not suitable

The Contracting Authority does not intend to include any community benefit requirements in this contract for the following reason:

This contract is for the Provision of Primary Medical Services and the consideration of Community Benefits is not suitable
