Hi,

Sorry for inconvenience, please can it be noted that an updated version of the Specification has been uploaded, titled 'Appendix H - Specification V2'. The update to the specification is highlighted in yellow, and is copied below for awareness:

"An Assessor's role includes demonstrating a range of Assistive Technology so as to ensure the recommendations are a successful fit for the student both at home and on campus. For the avoidance of doubt, the Contractor shall be required to recommend products and services from quality assured suppliers in their needs assessment reports and must not be exclusively committed to any one supplier."

Kind regards

Andrew
