Supply of 11kV & 66kV Transformers

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: Yes

Description of options

The agreement covers design & procure so the length of the agreement is dependant on lead times.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

Due to unplanned changes in tenancy in relation to a site owned by the contracting authority, the contracting authority is required to prepare specialist power supply to the site within a strict timeframe stipulated by the tenant. The relevant lead times for these supplies is such that orders for certain power supply equipment must be placed immediately in order to comply with tenant requirements for commencement of power supply. The power supply project has been disaggregated to ensure that only those elements of the project which are genuinely extremely urgent are being awarded pursuant to this direct award route, and the award is therefore being made in accordance with Regulation 32(2)(c) of the Public Contracts Regulations 2015. The award of this contract has been made only insofar as is strictly necessary because, for reasons of extreme urgency brought about by events unforeseeable by the contracting authority, the time limits for the open or restricted procedures or competitive procedures with negotiation cannot be complied with.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.9) Information about termination of call for competition in the form of a prior information notice

The contracting authority will not award any further contracts based on the above prior information notice

Section V. Award of contract
