II.1.1) Title

Swarcliffe Avenue, Swarcliffe

Reference number

00142-DVP

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Stonewater is seeking a contractor to support the build of a new development at its Swarcliffe Avenue site. The scheme comprises 33 units, based on the following schedule of accommodation:

- 2B3P Bungalow @80m² – 01no.
- 2B4P 2 storey house @79m² – 12no.
- 2B4P 2 storey house@ 81m² – 03no.
- 3B5P 2 storey house @93m² – 17no.

The proposed development is located on the former St Gregory's Primary School site off Swarcliffe Avenue and Stanks Gardens. The site was generally recorded as open land until the construction of the primary school in the 1980's, which was later demolished in 2019. The main site, accessed off Stanks Gardens is approximately 0.91 hectares and is bound by residential properties to the North West boundary and local Community centre to the East West boundary. 2 plots are to be located off Swarcliffe Avenue in between existing dwelling and substation. The site was purchased from Leeds City Council and planning permission has been granted and received.

II.1.5) Estimated total value

Value excluding VAT: £5,790,106

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

UNITED KINGDOM

II.2.4) Description of the procurement

Due to the value of this project, any tender process is governed by the regulations of the Public Contracts Regulations (2015) and will therefore be subject to the same processes and timeframes required.

The intention is to complete this tender exercise as an Open Procedure, in line with the instructions of the Public Contracts Regulations (2015). This single stage process will combine the Selection Questionnaire (SQ) and the Invitation to Tender (ITT), meaning that bidders will be expected to provide all requested information by one, clear deadline.

The SQ is the standard format required under UK guidelines and requires all bidders to provide key information about their organisation's financial and legal standing, as well as references of current/previous customers and details of their current insurance policies. In addition to this, Stonewater will also include questions, scored as either a "Pass" or "Fail", based on key organisational initiatives and how well these match with Stonewater's own policies. These will cover Corporate Social Responsibility (CSR) and Equality, Diversity and Inclusion (EDI).

The ITT will require bidders to complete the Form of Tender as well as providing responses to some additional questioning, specific to this site. The questions posed will cover areas that are important to the project and to Stonewater as an organisation and will challenge prospective bidders to think about the additional value they can provide, beyond the

standard remit.

The pricing requirements of the tender can be found in the Contract Sum Analysis, located in Appendix 2. All bidders should ensure that this is completed fully and in as much detail as possible.

The overall process will be scored against the Most Economically Advantageous Tender (MEAT) principle.

II.2.5) Award criteria

Quality criterion - Name: Responses to Technical and Site Specific Questions / Weighting: 30

Cost criterion - Name: Pricing Submission through a completed Contract Sum Analysis / Weighting: 70

II.2.6) Estimated value

Value excluding VAT: £5,790,106

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

16

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No
