## Section VI. Complementary information

### VI.3) Additional information

VCS partners will work as fully integrated members of our Core Community Mental Health Teams in Camden and Islington and will be expected to deliver these elements as part of the service:

1. Community Development - building relationships with the local communities through significant outreach and engagement work
  2. Welfare Rights - offering support through specialist welfare benefits advice, casework and
  3. Key working - supporting individuals who cannot engage with services in the usual way to offer support that is important to them, recognising this may not be clinical support.
- The contract term is expected to be 3 years, with an option to extend for up to a further 2 years, and it is currently anticipated that contracts will commence on 1st April 2023.

Please note that all of these are subject to change.

This pre-procurement exercise will allow C&I to engage directly and collaboratively with potential provider to

- aid with procurement process design
- determine the level of provider interest.
- Help enable providers to participate in the process.
- Inform development of service specification/s and collaborative service delivery options.
- Help shape the commissioning and contracting process

Initial market briefing event will be held virtually over MS Teams on 11th July 2pm – 3.30pm
