VI.3) Additional information

UKRI is managing this procurement process in accordance with the Public Contracts Regulations 2015 (as may be amended from time to time) (the “Regulations”).

UKRI is procuring the Contract for its exclusive use.

UKRI shall utilise the e-sourcing portal Delta and all correspondence and submission of documents must be through that portal. Suppliers are to utilise the messaging system within the e-sourcing tool within the timescales detailed in this document.

If there is any doubt with regard to the ambiguity of any question or content contained in this questionnaire then Suppliers should raise a clarification question via the e-sourcing portal. Suppliers are to note that any requests for clarifications may not be considered by UKRI if they are not articulated by the Supplier within the discussion forum within the e-sourcing tool and received within the specified time.

All Tender Responses MUST be submitted through the portal. Please note, any submission of a Response which is outside of the e-sourcing portal will result in the Response not being considered.

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.
