Description

NGN have the below essential requirements from the product solution:

Asset risk regulatory reporting (Network Asset Risk Metrics - NARMS) - We have a licence obligation to report Asset Risk and Health annually to Ofgem. This process is currently undertaken through a combination of our current Regulatory Risk and Decision Support Tool generated outputs and Microsoft Excel based manipulation. Audit functionality is necessary as part of this requirement.

2. Cost Benefit Analysis - We need to execute a consistent, corporatised, risk and output-based cost benefit calculator to inform individual investment decisions and support future business plan submissions.

3. Delivery of RIIO-GD3 business plan commitments - We must monitor performance

against our RIIO-GD3 plan, including an ability to identify areas of over/under performance.

Full details can be found in the scope of works.

Participation

Technical ability conditions of participation

The aim of this Tender Notice is to:

- * Ensure we provide bidders with adequate information to determine if they wish to proceed with this tender event.
- * Provide NGN with a more detailed understanding of the interest within the market.

The Tender Notice process is the first stage of multistage procurement process. All interested suppliers must follow the below steps in order to proceed with the conditions of participation and PQQ stages of this procurement event:

Sign up or Sign in to NGNs Tendering Portal - Market Dojo. Follow this link to do so:

<https://secure.marketdojo.com/signup>

When you have logged in to your dashboard, you'll need to click the 'Show all or enter invite code' button under the Event Invitations section.

You'll need to enter this code: B91D5142C4

It will then notify NGN to approve you onto the tender event. Once approved you will be given access to the event, where you'll be taken to the Conditions of Participation stage, this stage is a pass/fail and will be locked until after the PQQ submission deadline. Any supplier who fails this stage will automatically be withdrawn from the process and will not gain access to the PQQ.

All suppliers who pass this stage will be automatically taken to the PQQ where they will be given a deadline and detail to complete.

Once the PQQ has been evaluated by NGNs internal evaluation team all those who meet the criteria will be sent to the RFP stage where NGN will assess against award criteria.
