I.1) Name and addresses

Dumfries and Galloway Council

Procurement Team, Carruthers House

Dumfries

DG1 2HP

Email

Procurement.WasteNeighbourhood@dumgal.gov.uk

Telephone

+44 3033333000

Country

United Kingdom

NUTS code

UKM92 - Dumfries & Galloway

Internet address(es)

Main address

<http://www.dumgal.gov.uk>

Buyer's address

https://www.publiccontractsscotland.gov.uk/search/Search_AuthProfile.aspx?ID=AA00219

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Various Waste Streams from HWRCs and Other Sources

Reference number

DGCC-00119

II.1.2) Main CPV code

- 90500000 - Refuse and waste related services

II.1.3) Type of contract

Services

II.1.4) Short description

This Prior Information Notice (PIN) is a call for expressions of interest for a Contract Notice about to be published for the procurement of treatment etc. of various waste streams managed by Dumfries and Galloway Council. Feedback from interested parties will also be considered when finalising the Invitation to Tender and other procurement documentation.

II.1.5) Estimated total value

Value excluding VAT: £4,700,000

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description**II.2.1) Title**

Treatment and recycling, recovery, or disposal of Mechanical Biological Treatment (MBT) plant Fines

Lot No

1

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Fine organic material smaller than 8mm. It also contains sub 8mm fractions of plastic and glass.

II.2.14) Additional information

Please note that proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Treatment and recycling, recovery, or disposal of MBT plant Dust

Lot No

2

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

This is the material from the dust extraction system of the MBT. The dust is contained in large bags sometimes referred to as “tonne bags” or “elephant bags”.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Treatment and recycling, recovery, or disposal of MBT plant Belt Sweepings

Lot No

3

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

This output from the MBT is the overspill from some of the transport belts in the refinements section of the MBT plant. It is predominantly a very dusty material with some Refuse Derived Fuel and Solid Recovered Fuel within it, and some non-ferrous metal. It is currently collected in a skip.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Provision of a skip, collection, treatment and recycling, recovery, or disposal of MBT plant Ferrous Metals

Lot No

4

II.2.2) Additional CPV code(s)

- 14630000 - Slag, dross, ferrous waste and scrap
- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 14612000 - Non-ferrous metal ores

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

This is ferrous metal extracted from the mixed waste stream as part of the MBT plant's refinement operation. This material is heavily contaminated with mixed waste. It has been shredded twice by the point of extraction.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Contingency for Residual Waste reception and treatment

Lot No

5

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Contingency arrangements for the reception and treatment or landfill disposal of primarily residual waste, but possibly other non-hazardous waste streams. Normally for one or two days due to breakdown or plant maintenance at DGC's MBT plant. But on rare occasions planned plant maintenance may last for several weeks. One breakdown recently meant that diversion was required for 5 months – this was due to exceptional circumstances (once in 15 years of operation) and is not likely again.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Contingency for Residual Waste RCV reception from the Nithsdale operational area

Lot No

6

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

A suitably licensed waste facility is required within 5 miles by road of the MBT Plant, Lochar Moss, Lockerbie Road, Dumfries DG1 3PG as a reception and bulking facility if the MBT plant is unable to accept waste.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Reception, recycling, recovery, or disposal of Bulky Waste

Lot No

7

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services
- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

The provision of a suitably permitted or licensed waste reception facility to receive Bulky Waste from HWRCs and collection operations.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Reception and recycling of Green (Garden) Waste

Lot No

8

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

This Lot is seeking the provision of a suitably permitted or licensed waste reception facility to receive Green (Garden) Waste, primarily from HWRCs but possible from 'parks and gardens' operations. There may be a requirement to receive green waste from kerbside collection in the future too.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Reception and recycling of Fibres (mixed Paper & Card)

Lot No

9

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

In the east of Dumfries and Galloway (within 5 miles by road of the MBT Plant, Lochar Moss, Lockerbie Road, Dumfries DG1 3PG) a reception facility is required for deliveries and recycling of this waste stream by RCVs and bulk articulated vehicles from kerbside collections, and by skip from HWRCs until DGC's own bulking facility is operational (anticipated to be February 2024). After DGC has its own facility in the east, the material will only require offtakers for recycling. DGC already has a its own reception and bulking facility in the west (at Stranraer) so the material for this part of the region is immediately available for offtakers to recycle.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Reception and recycling of Containers (mixed Metals, Plastics & Cartons)

Lot No

10

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

In the east of Dumfries and Galloway (within 5 miles by road of the MBT Plant, Lochar Moss, Lockerbie Road, Dumfries DG1 3PG) a reception facility is required for deliveries and recycling of this waste stream by RCVs and bulk articulated vehicles from kerbside collections, and by skip from HWRCs until DGC's own bulking facility is operational (anticipated to be February 2024). After DGC has its own facility in the east, the material will only require offtakers for recycling. DGC already has a its own reception and bulking facility in the west (at Stranraer) so the material for this part of the region is immediately available for offtakers to recycle.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Reception, recycling, recovery, or disposal of Inert Waste & Rubble

Lot No

11

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

This Lot is seeking the provision of a suitably permitted or licensed waste reception facility to receive Inert Waste and Rubble materials including soil.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Collection, reception, and disposal of Asbestos Waste

Lot No

12

II.2.2) Additional CPV code(s)

- 90650000 - Asbestos removal services
- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Suitably permitted or licensed waste management company to collect and treat Asbestos Waste, double bagged and stored in chain lift skips from 8 D&G Council Household Waste Recycling Centres (3 in the west and 5 in the east of the region)

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Reception, recycling, recovery, or disposal of Wood Waste

Lot No

13

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 03416000 - Wood waste
- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

In the east of Dumfries and Galloway (within 5 miles by road of the MBT Plant, Lochar Moss, Lockerbie Road, Dumfries DG1 3PG) a reception facility is required for deliveries and recycling of this waste stream by skip from HWRCs until DGC's own bulking facility is operational (anticipated to be February 2024). After DGC has its own facility in the east, the material will only require offtakers for recycling. DGC already has a its own reception and bulking facility in the west (at Stranraer) so the material for this part of the region is immediately available for offtakers to recycle.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description**II.2.1) Title**

Reception, recycling, recovery, or disposal of Street Sweepings (grit & fines)

Lot No

14

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Provision of a suitably permitted or licensed waste reception facility to receive Street Sweepings.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Collection and recycling of Engine Oil & Hydraulic Fluid

Lot No

15

II.2.2) Additional CPV code(s)

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Collection and recycling of engine oil from approximately 11 HWRCs.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Collection and recycling of Cooking Oil

Lot No

16

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Collection and recycling (possibly including the provision of a suitable tank) of vegetable cooking oil from HWRCs. DGC currently has two HWRCs that accept cooking oil in the west of the region (Stranraer and Newton Stewart), but may wish to expand the service to other HWRCs around the region with enough space for a tank (some licence variations will be required by DGC to facilitate this).

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Collection, recycling, recovery, or disposal of Tyres

Lot No

17

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Collection of waste tyres (including those still on rims ideally) from all HWRCs.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Collection, reuse, recycling, recovery, or disposal of Gas Bottles

Lot No

18

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Collection of 'scheme' and non-scheme gas bottles from HWRCs.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Reception, recycling, recovery, or disposal of Scrap Metal

Lot No

19

II.2.2) Additional CPV code(s)

- 14630000 - Slag, dross, ferrous waste and scrap

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Reception and recycling of scrap metal delivered from 12 HWRCs.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.2) Description

II.2.1) Title

Provision of receptacles, collection, recycling, recovery, or disposal of Lead Acid Batteries (e.g., car batteries)

Lot No

20

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKM92 - Dumfries & Galloway

II.2.4) Description of the procurement

Provision of receptacles (spec to be agreed), safe collection (no handballing), and recycling of lead acid batteries such as car batteries etc.

II.2.14) Additional information

The proposed lotting structure might be a subject to change.

II.3) Estimated date of publication of contract notice

18 July 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Please review the other documents that form part of this PIN. It would be appreciated if you could complete and return the questionnaire please (Appendix 3).

There are a total of four documents forming this PIN. There are:

- “Prior Information Notice – HWRC etc Offtakes”
- “Appendix 1 Graphic of DGC HWRCs”
- “Appendix 2 List of DGC HWRCs”
- “Appendix 3 DGC HWRC and Other Offtakes PIN Questionnaire”

IMPORTANT NOTE: Dumfries and Galloway Council is continually striving to improve our management of waste resources and enhance our performance for the waste we handle in terms of it being reused, recycled, or otherwise diverted from landfill. We will be incorporating scoring criteria to reward treatment solutions offered that are as high up the waste hierarchy as possible when the contract notice documentation is published.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=698080.
