Contract

9001569 - Supply of Dipole Magnet Support Cradles

DIAMOND LIGHT SOURCE LIMITED

F03: Contract award notice

Notice identifier: 2025/S 000-017527

Procurement identifier (OCID): ocds-h6vhtk-04c96e

Published 29 April 2025, 10:52am

Section I: Contracting authority

I.1) Name and addresses

DIAMOND LIGHT SOURCE LIMITED

Diamond House

Didcot

OX110DE

Contact

Debbie Pryor

Email

procurement@diamond.ac.uk

Telephone

+44 1235567575

Country

United Kingdom

Region code

UKJ14 - Oxfordshire

Companies House

04375679

Internet address(es)

Main address

<https://www.diamond.ac.uk>

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Scientific Research

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

9001569 - Supply of Dipole Magnet Support Cradles

Reference number

900156

II.1.2) Main CPV code

- 44400000 - Miscellaneous fabricated products and related items

II.1.3) Type of contract

Supplies

II.1.4) Short description

Located on the Harwell Science and Innovation Campus in Oxfordshire, Diamond Light Source (DLS) is a leading-edge facility for science, engineering and innovation. Diamond allows researchers from academia and industry to investigate the structure and behaviour of the world around us at the atomic and molecular level.

To continue delivering the world changing science that Diamond enables, the facility is being upgraded to Diamond-II, a coordinated programme of development that combines a major

machine upgrade with new instruments and complementary improvements to optics, detectors, sample environment and delivery capabilities, and computing, as well as integrated and correlative methods. This will be transformative in speed and spatial resolution and will offer users streamlined access to enhanced instruments for life and physical sciences.

The scope of the contract is to manufacture 159 dipole magnet support cradles to DLS designs, the cradles comprise of a common welded and machined steel structure with paint

to protect most surfaces from corrosion. The 159 common cradle fabrications are split into two assembly types DL and DQ which have different brackets or position of brackets assembled to the common fabrication.

The supplier shall deliver 2 pre-series cradles to DLS for inspection and approval prior to the main series manufacture of the remaining 157 cradles.

There is 1 special DQ cradle in addition to the standard types mentioned above which aside from different geometry has the same basic construction and requirements.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £292,475

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKJ14 - Oxfordshire

II.2.4) Description of the procurement

Located on the Harwell Science and Innovation Campus in Oxfordshire, Diamond Light Source (DLS) is a leading-edge facility for science, engineering and innovation. Diamond allows researchers from academia and industry to investigate the structure and behaviour of the world around us at the atomic and molecular level.

To continue delivering the world changing science that Diamond enables, the facility is being upgraded to Diamond-II, a coordinated programme of development that combines a major

machine upgrade with new instruments and complementary improvements to optics, detectors, sample environment and delivery capabilities, and computing, as well as integrated and correlative methods. The supplier shall deliver 2 pre-series cradles to DLS for inspection and approval prior to the main series manufacture of the remaining 157 cradles.

There is 1 special DQ cradle in addition to the standard types mentioned above which aside from different geometry has the same basic construction and requirements.

II.2.5) Award criteria

Quality criterion - Name: Technical Quality / Weighting: 22.5

Quality criterion - Name: Experience & Capacity / Weighting: 22.5

Quality criterion - Name: Delivery / Weighting: 10

Quality criterion - Name: Commercial / Weighting: 5

Price - Weighting: 40

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2024/S 000-040907](#)

Section V. Award of contract

Contract No

9001569

Title

9001569 - Supply of Dipole Magnet Support Cradles for D-II

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

14 March 2025

V.2.2) Information about tenders

Number of tenders received: 15

Number of tenders received from SMEs: 15

Number of tenders received by electronic means: 15

The contract has been awarded to a group of economic operators: No

V.2.3) Name and address of the contractor

Revol TT Consulting s.r.o. (RTC)

Trnava

917 01

Country

Slovakia

NUTS code

- SK - Slovakia

Slovakia

SK2022832185

The contractor is an SME

Yes

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £292,475

Section VI. Complementary information

VI.4) Procedures for review

VI.4.1) Review body

Diamond Light Source Ltd

Didcot

OX11 0DE

Country

United Kingdom
