The overarching aim of the service is to ensure that accessible information and timely support is available to all those exposed, affected or bereaved by (suspected) suicide in order to minimise the emotional impact, promote recovery and reduce further suicides.

The service contract is for 1 year with the option to extend for a further 12 months subject to performance and confirmation of funding. Please note there is a financial threshold associated with this procurement. Any bids received exceeding £120,000 per annum over the term of the contract will be excluded from evaluation and disqualified from the process. No bids over £120,000 per annum will be accepted.
