Description

East Cambridgeshire District Council is in the process of building a new build crematorium and bereavement centre located at the Former Outdoor Centre, Mepal, UK. The key aims of this new facility is to provide a beautiful and sustainable alternative to the residents of East Cambridgeshire and surrounding area. To assist with this aim, it has been decided that an electric cremator will be installed.

This exercise wishes to understand the capacity and capability from the market in providing this electric cremator.
