II.1.4) Short description

The GMC are seeking to procure a solution that would allow monitoring of a new examination circuit being built. The solution should allow viewing of any of the rooms in the examination circuit from multiple viewing stations.

Usability and reliability are key success factors for the GMC.

Audio and Video quality need to be of the highest possible standard and the solution would need to be able to record examinations and allow for storage and management of these recordings.

The solution would need to be extensible to allow for growth, if required in the future.

We would like to see evidence of similar installs.

We will hold information gathering meetings on MS Teams on 4th July 2023. To book a 30 minute slot, please email procurement@gmc-uk.org. We will operate on a first come first served basis.

We anticipate that the tender will be published in July 2023
