Description

As a council, our goal is to thoroughly understand the local labour market, including the skills and qualifications needed for various occupations and industries. This knowledge is crucial for effectively upskilling our residents and investing in the right resources to ensure their success.

To achieve this, we need a solution that consolidates this information in one place, allows data exports, and has the option for us to connect to the database that sits behind the platform to allow us to automate this reporting and work more efficiently.

The Council would like suppliers who can provide a Labour Market Analysis Solution to take part in the PME so the Council can understand the types of solution, functionality, delivery

types, and costing models that are available.

Please note this is a Preliminary Market Engagement, it is not a formal invitation to tender.

Engagement process description

Wolverhampton City Council is conducting a Preliminary Market Engagement (PME) to seek input from potential suppliers who can provide a Labour Market Analysis Solution.

As a council, our goal is to thoroughly understand the local labour market, including the skills and qualifications needed for various occupations and industries. This knowledge is crucial for effectively upskilling our residents and investing in the right resources to ensure their success.

To achieve this, we need a solution that consolidates this information in one place, allows data exports, and has the option for us to connect to the database that sits behind the platform to allow us to automate this reporting and work more efficiently.

The Council would like suppliers who can provide a Labour Market Analysis Solution to take part in the PME so the Council can understand the types of solution, functionality, delivery types, and costing models that are available.

To take part in the market test please complete the questionnaire that is available at the following link <https://procontract.due-north.com/Advert?advertId=c13932a3-3b24-f011-8136-005056b64545&p=cdcfff6b-8cbd-e611-8118-000c29c9ba21>

The closing date for responses is the 16th May 2025 at 12 midday.

Please note this is a Preliminary Market Engagement, it is not a formal invitation to tender.
