Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Strategic Partnership for Technical Services Framework

Reference number

DN619129

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

Corserv Limited on behalf of Cormac Solutions Limited, both Cornwall Council wholly owned companies wishes to establish a collaborative, integrated framework partnership with two individual and separate framework partners to provide a diverse range of engineering and technical consultancy services

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

The intention of the framework is to provide additional resources to support Cormac

Solutions Ltd's existing design consultancy capabilities to ensure quality service provision to both Cornwall Council and external clients.

The framework is set to commence in November 2022, for an initial duration of seven years, with an option to extend by a further three years. This would give a maximum duration of ten years. The framework value is anticipated to be between £100k to £200k per month over the first twelve months, with an aspirational 5% to 10% growth per annum thereafter.

The framework will cover the following technical services, though we reserve the right to procure specific or specialist services by alternative routes:

- Civil Engineering assessment and design
- Highway assessment and design
- Highway structures assessment and design
- Heritage, residential or commercial property design
- Drainage / hydrology assessment and design
- MEICA assessment and design
- Geotechnical / geoenvironmental assessment and design
- Traffic engineering assessment and design
- Environmental assessment
- Landscape architecture assessment and design
- Urban design
- Transport planning assessment
- Spatial planning
- Technology / electrical assessment and design
- Stakeholder engagement
- Surveys
- NEC3/4 project management support

- Cost planning and estimating services

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 November 2022

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

Not project specific but we are still undertaking some schemes part funded by the EU of which this framework may be required.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)
