This tender opportunity is available via The Chest <https://www.the-chest.org.uk/>.

In order to continue the delivery of Westmorland and Furness Council's Capital Programme a Framework is required to replace the current Framework which expires in 2024. The framework is for the procurement of contractors to deliver Westmorland and Furness Council's and any other participating framework user's capital works programme. The estimated total value is a range between £100m and £200m. The works are expected to include: highway maintenance and improvement schemes, schools and corporate property maintenance and improvement works, new build highways and property schemes, flood prevention schemes and economic development or regeneration schemes. A full description of the scope is provided within the tender documents.
