PME 1 Waste Collection and Street Cleansing Arrangements

Description

West Northamptonshire Council has statutory duties relating to the collection and disposal of household waste and recycling and for keeping public land clear of litter and refuse.

The current contractual arrangements are due to end in May 2028 and therefore the Council is currently reviewing its options for service provision from 2028 and is looking to have a very early engagement with the market which we hope will help inform the review and the recommendations that are made to the Council's Cabinet over the coming months.

Engagement process description

To express your interest and support us with this market exercise please send an email to Waste.procurements@westnorthants.gov.uk or daryl.read@westnorthants.gov.uk and we will provide a copy of our questionnaire by return.

By completing the questionnaire, your organisation will help inform the review and the

recommendations that are made to the Council's Cabinet.

Responses to the questionnaire will not be evaluated and participation in this process will not impact your ability to engage with the future tender opportunity.

Due to the specialities within this procurement process it may be possible we will conduct a second phase of this PME.

Either way your details will also be kept on file and you will be notified of any procurement which relates to these services.

Please insert your answers within this word document (you are able to edit the space within the table for your answer) and return by 1600hrs 12 March 2026 via e-mail to

Waste.procurements@westnorthants.gov.uk

Thank you in advance for the information you provide and your engagement in this pre-procurement exercise.
