II.1.4) Short description

NHS Gloucestershire Integrated Care Board (GICB) seeks expressions of interest from suitably qualified organisations that have the necessary capability and capacity to provide Primary Medical Care Services at Drybrook Surgery in Gloucestershire.

The practice's registered list size as of 1.4.2023 is 4094 patients.

Drybrook Surgery requires the provision of innovative services to meet the needs of the population. There will need to be an appropriate skill mix of staff will be required to deliver the contractual requirements. This is likely to include General practitioners, advanced clinical practitioners who can treat and manage acute illnesses, a nursing team who can deliver treatment room care and long-term condition management, non-clinical staff who can actively sign post and support patients with accessing primary care services and management of administrative tasks.

The contract holder will be a member of the Forest of Dean (FOD) Primary Care Network (PCN) and so will also have access to ARRS resources of which the PCN are responsible for employing and working with practices to utilise the additional role staff skill mix.

NHS Gloucestershire ICB is seeking to enter into a contract with the preferred bidder for an initial period of 5-years with an option to extend for a further 3-year period.

NHS Gloucestershire ICB expects that the service provided will represent value for money. The successful bidder will receive an estimated annual contract value of £665,000

per annum for the contract period (including the 3-year extension option).

Organisations interested in providing this service should register on the In-Tend e-procurement portal (<https://in-tendhost.co.uk/gloucestershireccg>) and express interest no later than 5pm, Friday 7 July 2023. Associated Invitation to Tender (ITT) documentation will then be made available for bidding organisations to access.
