II.1.4) Short description

The Queens Gardens refurbishment works compliment the delivery of the vision of the HYMC project through providing improvements to an important pedestrian route between the Hull Maritime Museum (HMM) and North End Ship Yard (NESY). The improvement works will also contribute towards delivering the objectives of HCC's City Plan. The works represent a significant opportunity for the city, as the gardens are a valuable asset of large open space within the city centre. Providing good design and better integration into adjacent areas there is potential for Queens Gardens to create a magnificent public space and an improved area to host major events. Understanding the historic importance of the development of the gardens has been central to the design process, making sure that any improvements are carried out in a sensitive and respectful way.
