The estimated value over the total Framework Agreement term (3+1-year term) is anticipated to be approximately £150,000,000 (Cost Inc. VAT).

The Framework Agreement between Supply Chain Coordination Limited (“NHS Supply Chain”) and successful suppliers will reserve the right to purchase the same or similar supplies from suppliers not appointed to the Framework Agreement at its sole discretion.

NHS Supply Chain intends to enter into arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector.
