#### II.1.4) Short description

The City invites Bidders to complete and submit a request to participate in the Procurement for the provision of Police CyberAlarm.

The Police CyberAlarm solution seeks to:

• Provide a free-to-use tool to member organisations provided by policing and is a positive action that improves public perception of law enforcement in cybercrime.

• Facilitate secure data sharing between member organisations and law enforcement, improving collective understanding of UK cyber threats and contributing to national intelligence efforts against cybercrime.

• Enhance cyber insights by providing enriched data and detailed insights to identify, investigate, and respond to cybercriminal activity, while monitoring current and emerging threats.

• Deliver actionable insights through regular reports and alerts to member organisations and law enforcement, supporting decision-making and improving cyber resilience and behaviour.

• Supplement existing cybersecurity measures by acting as a complementary tool to enhance existing protections, tools, and services.
