The Lot 2 Services relate to the development of business cases for transport policies, programmes and key priority projects. The work undertaken should align with Transport Scotland's published guidance on the development of business cases and align with Scottish Transport Appraisal Guidance (STAG).

The focus of Lot 2 Services is the preparation of business cases which provide the rationale for a project, policy or programme following the process outlined by HM Treasury's Five Case Model set. This will principally entail advising on the on 'The Strategic Case' and 'The Socio-Economic Case' at the Strategic, Outline and Final stages of business case development. The Services may also require inputs to 'The Commercial Case', 'The Financial Case' and 'The Management Case' of the Outline and Final stages. Framework Suppliers need to have an awareness of the increasingly wide range of factors and policy drivers influencing the Employer requirements to be able to appraise policies and projects that reflect the outcomes sought by NTS2.
