II.2.4) Description of the procurement

Devon and Cornwall Police cover a geographic region of over 3,900 Sq Miles and employ over 3,500 Officers. A key element of delivering operational policing are our Neighbourhood Policing Teams who provide a visible resource for the community and our partners with the ability to tackle local issues with a renewed focus on community engagement, reassurance and problem solving. Local policing teams patrol on foot or bike to maximise visibility and community engagement.

Devon and Cornwall Police are therefore beginning a procurement process for the supply and maintenance (Lotted) of approximately 60 (Sixty) Electric Bikes (E-Bikes), which will be issued to the Neighbourhood teams allowing officers to patrol in their local communities and offer a greener and more sustainable option of transport.

We invite suppliers with a proven past performance including technical capabilities and evidence of economic and financial standing for the following high-level specification to respond to the PIN:

- Supply of E-Bikes

- Maintenance and Service of E-Bikes
- Mobile Maintenance and Service of E-Bikes

The Prior Information Notice is to alert the market of the requirement and we would like to hear from you as part of our market engagement phase, prior to the tender opportunity. Contact the Procurement team listed for more information.
