Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

If required, bidders are required to be enrolled in the relevant professional or trade registers within the country in which they are established.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders will be required to have a minimum yearly “general” turnover of 146,000 GBP for the last 3 years in the business area covered by the contract.

North Ayrshire Council reserve the right to review the bidder's financial information using company watch financial analytics at tender stage and throughout the life of the contract. If the bidder's financial health score (H-Score) is 25 or less further information/clarifications will be requested to ensure the equivalent economic and financial standing is adhered to. If this information or the clarifications are not satisfactory, the bidder will be excluded from the tender process.

Bidders who cannot meet the required level of turnover will be excluded from this tender.

Where turnover information is not available for the time period requested, the bidder will be required to state the date which they were set up or started trading.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's (Compulsory) Liability Insurance = 10million GBP in respect of any one event

<http://www.hse.gov.uk/pubns/hse40.pdf>

Public Liability Insurance 10million GBP in respect of any one event

Product Liability Insurance 10million GBP in the aggregate

Third-Party Motor Vehicle Insurance for the duration of the contract

A valid motor vehicle certificate must be held in the company name or (where there is no fleet but rather the company permits its employees to use their personal vehicles for business purposes), a letter signed by a person of appropriate authority - confirming that the company has ongoing arrangements in place to ensure their employees' vehicles are appropriately insured and maintained.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide 2 examples of services carried out in the past 3 years that demonstrates they have the relevant experience to deliver the services described in the Contract Notice. The services must be of a similar value, size and scope. The minimum project value NAC will accept as an example is 150,000 GBP. Unsatisfactory experience will result in exclusion from the tender process.

Bidders must also provide 2 satisfactory references for the same 2 contracts on the reference templates provided. References should be completed and signed by previous customers for contracts of a similar value, size and scope. If any of the referees score the bidder less than 2 the bidder will be excluded from the tender process.

Completed experience and reference templates must be zipped and uploaded at question 4C.1 of the qualification envelope.

Bidders are required to provide evidence that their organisation has taken steps to build their awareness of the climate change emergency and how they will respond. Accepted evidence includes but is not limited to:

- a completed copy of the Bidder 'relevant contract' Climate Change Plan Template, including planned projects and actions to reduce the bidder's carbon emissions. This does not need to contain calculated carbon emissions.

Bidders are required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Bidders who intend to subcontract more than 25% to any individual organisation must ensure the SPD (Scotland) - Subcontractors Supplier Response is completed and uploaded at question 2D.1.2 of the qualification envelope.
