#### II.2.4) Description of the procurement

This is a proposed project for a High Performance Hard Body Armour System. The system is defined as front, back and side plates available in various sizes that protects against friendly and enemy threats; small arms rounds and fragmentation during operations and training.

Forecasted spend over the next 10 years is estimated at £99M with an initial contract value of approximately £4M over 5 years – any additional purchases are dependent on future demand and financial approval.

A Key constraint is for any suppliers participating in this activity are required to have List X status due to the project's classification. Therefore, the Authority seeks to only liaise with List X contractors or UK Agents due to requirement sensitivities.

More information regarding List X can be found at

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\_data/file/367514/Security Requirements for List X Contractors.pdf

Foreign Suppliers that are not operating in the UK should if interested in this requirement work with a UK Agent on their behalf for which a Form 1686 is required to be submitted by the UK List X Contractor seeking approval to share the classified information.

Interested parties must attend the Tender Conference on Monday 3 July 2023, in order to receive the classified information. If you are unable to attend your company will be excluded from this competition.
