Section VI. Complementary information

VI.3) Additional information

Further information is contained in the Contract Brief and Tender documents attached to the Contract Notice, which includes how responses would be assessed.

Under the terms of this contract the successful supplier is required to deliver Community Benefits in support of the organisation's economic and social objectives.

Atrium proposes that the contract will be for an initial period of 1 year with the option to extend on an annual basis, subject to performance and cost certainty, for up to a further 3 years. If the successful bidder does not perform to Atrium's requirements, the contract may not continue after the first year.

(SC Ref:618662)

Community benefits are included in this requirement. For more information see:
<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Under the terms of this contract, Atrium will require the successful supplier to deliver Community Benefits as part of the delivery of the works, in support of the organisation's economic and social objectives. Community enhancement, targeted recruitment and training, promotion of subcontracting opportunities to SMEs and social enterprises, community consultation, community outreach and education opportunities.
