Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Coastal Engineering Minor Works Framework Agreement: Southern Coastal Group and SCOPAC (Southern England)

II.1.2) Main CPV code

- 45240000 - Construction work for water projects

II.1.3) Type of contract

Works

II.1.4) Short description

Portsmouth City Council ('the council') on behalf of the Southern Coastal Group (SCG) and SCOPAC (the Regional Coastal Group for central southern England), established a multi-contractor Coastal Engineering Minor Works Framework Agreement.

The framework commenced on 27th July 2022 and will run for a period of four years.

The framework comprises of 2 lots. Lot 1 is concerned with the provision of General Coastal Civil Engineering Works and Lot 2 is concerned with the provision of Specialist Beach Management Works.

Each framework lot is made up of 4 contractors.

The framework will be available to all current and future SCG and SCOPAC members who are classified as Contracting Authorities. In addition, the framework will also be accessible to all contracting authorities situated within the counties of Hampshire, Dorset, West Sussex, East Sussex, Isle of Wight, Kent, Somerset and Wiltshire.

The value of the framework across both lots is estimated to be in the region of £6million over four years. Based upon previous demand information it is likely that 70% of the estimated value will be procured via Lot 1 and 30% via Lot 2, however this may change significantly year on year due to the dynamic nature of the coastal environment. This is based on the known requirements of SCG and SCOPAC members. In the event of further schemes or take up by other authorities across Southern England, the total value of the framework could increase to £9million.

The average value of works called off via the framework for both Lots by SCG and SCOPAC is likely to range from £20k to £150k. However, there is also likely to be commissions below £20k and on occasion in excess of £500k, although no upper or lower value constraints shall apply.

The framework agreement has been let using the NEC4 Framework Agreement terms.

Contracting authorities have a variety of call-off mechanisms and

contracting options available for use which include for both mini-competition and direct award options.

Call-off contracts may be let using either the NEC4 PSC or TSC in either the long or short form and with the choice of all options as proportionate and relevant to the services which are being commissioned. Low value, non-complex works may also be awarded via the standard purchase order terms of the particular contracting authority commissioning the works.

The framework was established using the Restricted Procedure as set out within the Public Contracts Regulations (2015).

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £9,000,000

II.2) Description

II.2.1) Title

Lot 1 - General Coastal Civil Engineering Works

Lot No

1

II.2.2) Additional CPV code(s)

- 45241000 - Harbour construction works
- 45242110 - Launchway construction work
- 45243000 - Coastal-defence works
- 45244000 - Marine construction works
- 45246000 - River regulation and flood control works
- 45247000 - Construction work for dams, canals, irrigation channels and aqueducts
- 45252124 - Dredging and pumping works

II.2.3) Place of performance

NUTS codes

- UKJ21 - Brighton and Hove
- UKJ22 - East Sussex CC
- UKJ27 - West Sussex (South West)
- UKJ28 - West Sussex (North East)

- UKJ3 - Hampshire and Isle of Wight
- UKJ4 - Kent
- UKK15 - Wiltshire CC
- UKK2 - Dorset and Somerset

Main site or place of performance

The framework will be available to all SCG and SCOPAC members, including any future iterations of these groups which may include for changes in existing member status and / or addition of new members over the term of the framework agreement.

The current list of SCG & SCOPAC local authority and Harbour Authority members includes:

- Bournemouth, Christchurch and Poole Council
- Chichester District Council
- Dorset Council
- Eastleigh Borough Council
- Fareham Borough Council
- Gosport Borough Council
- Hampshire County Council
- Havant Borough Council
- Isle of Wight Council
- New Forest District Council
- Portsmouth City Council
- Southampton City Council
- Chichester Harbour Conservancy
- Langstone Harbour Board

- Poole Harbour Commissioners
- Yarmouth Harbour Commissioners

All of the above members support the establishment of the framework agreement and have expressed interest in using the agreement once operational. However, no guarantees on usage and demand can be made.

II.2.4) Description of the procurement

All contractors have the ability to provide comprehensive coastal engineering services as required. A non-exhaustive list of the core services for lot 1 that may be sourced via the framework agreement are stated below:

Core - Lot 1 (General Coastal Civil Engineering Works)

- Drainage infrastructure.
- Earth and flood embankments
- Flood gates, boards and demountable defences.
- Heritage works
- H&S issues and emergency works response.
- Incidental beach management works.
- Marine and harbour works
- Piling works
- Precast and insitu concrete works
- Rock works
- Slipways, promenades, steps and access ramps.
- Timber groyne & revetment works

II.2.5) Award criteria

Quality criterion - Name: Total of project scores / Weighting: 30

Quality criterion - Name: Social Value / Weighting: 5

Price - Weighting: 65

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Lot 2 - Specialist Beach Management Works

Lot No

2

II.2.2) Additional CPV code(s)

- 45112320 - Land-reclamation work
- 45112360 - Land rehabilitation work
- 45112400 - Excavating work
- 45112500 - Earthmoving work
- 45241000 - Harbour construction works
- 45243000 - Coastal-defence works
- 45244000 - Marine construction works
- 45246000 - River regulation and flood control works
