---

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

For the purpose of this Contract, all Electrical Subcontractors (including the Main Contractor if appropriate) proposed to be used on this Project must have Registration with either 'NICEIC (Approved Contractor Scheme)' or 'SELECT (Approved Certifier of Construction Scheme)' throughout the entire Contract period, and all Employees (including Employees of Electrical Subcontractors) must have appropriate trade certification.

For the purpose of this Contract, all Mechanical Subcontractors (including the Main Contractor if appropriate) proposed to be used on this Project must have Registration with either 'B&ES Association (Member status)' or 'CIPHE (Member status)' throughout the entire

Contract period, and all Employees of Mechanical Subcontractors must have appropriate trade certification.

For the purpose of this Contract, all Gas Sub-Contractors (including the Main Contractor if appropriate) must be on the current Capita Gas Safe Register of Gas Installers at a commercial level throughout the entire Contract period.

For the purpose of this Contract, the Asbestos removal Contractor proposed to be used on this Project must hold an Asbestos Removal Licence (issued by the HSE) throughout the entire Contract period, and all employees must have appropriate certification.

For the purpose of this Contract, the company which will carry out the Solar Photovoltaic installation must be on the current Microgeneration Certification Scheme (MCS) database of certified installers at the time of installation.

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

##### **Financial Standing**

The Council shall commission an independent third party business credit report from Creditsafe Business Solutions Ltd using the Company Registration number supplied by the Tenderer. Any Tenderer who does not meet the minimum threshold of a Credit Score

of 30 out of 100 will have their submission regarded as a “Fail” and will not be considered further. Where a Tenderer receives a Credit Score of between 30-50 out of 100, the Council reserves the right to request further financial information to determine the risk to the Council. In the event that such additional measures are requested, the Council shall, in its sole discretion, determine the terms of those measures that it deems as acceptable. If Tenderers cannot provide measures to the satisfaction of the Council then their submission may be rejected.

Risk or Credit reports from other agencies will not be considered.

It is the Tenderers responsibility to ensure that all information held by Creditsafe is current and accurate when submitting their Tender. The Council will not enter into discussions with Tenderers who fail to ensure that their Creditsafe scores are accurate by the due submission date.

#### Insurances

It is a requirement of this Contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded Contract, the insurances indicated below.

Public & Products Liability Insurance = 5 million GBP in respect of each claim without limit to the number of claims.

Employers (Compulsory) Liability Insurance = 10 million GBP in respect of each claim without limit to the number of claims.

#### **III.1.3) Technical and professional ability**

Selection criteria as stated in the procurement documents

For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

n/a

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

It has become clear that there is scope within the EU legal framework which applies to public contracts, to use contracts to deliver wider social benefits such as:

- Targeted recruitment and training (providing employment and training opportunities / Apprenticeships)
- SME and social enterprise development
- Community engagement

As part of your response to the Quality criteria, Tenderers are requested to provide an outline of all community benefits you can offer for this contract.

(SC Ref:698508)
