REQ-616

Description

As part of their commitment to maintain their housing stock, Gentoo Group currently has a roofing Framework in place in which a Principal Provider is responsible for re-roofing Gentoo properties in various locations throughout Sunderland, Houghton, Hetton and Washington - Tyne & Wear.

Many of the Gentoo properties which are receiving new roofs adjoin owner occupied properties which do not fall under the ownership of Gentoo.

Therefore, so that Gentoo may comply with the Party Wall Act of 1996, it is a requirement that any affected adjoining properties are made aware of the works in accordance with set timescales and given the opportunity to consent to the works or alternatively, to dissent and

appoint an independent Party Wall Surveyor to inspect the works in accordance with this Act.

Under the Act, the responsibility for appointment of the Surveyor rests with the Party who wishes to have the work carried out (I.E. - Gentoo Group Ltd).

Subsequently, the purpose of this Tender is to procure a Surveying Consultancy to provide these services to Gentoo.

It will be the intention of Gentoo to appoint three Providers to this Framework for a period of four years.

The first ranked Tenderer will initially be awarded all works available. In the event they fail or are unable to meet the service level agreements stated within this document, Gentoo will seek to appoint the second ranked Tenderer to deliver the works. This process will then move to the third placed Tenderer in the event second place is also unable to deliver or meet the requirements of the service level agreements.
