Explanation for change:

The 2019/20 contract outturn was £561,987. Since the original PIN, the CCG has acknowledged that inflation has not been applied since 2018/19 due to Covid 19, therefore, the contract envelope has been modified accordingly to £629,031. The contract envelope will be further adjusted to account for the prevailing inflation rates in April of 2022 and 2023.

Furthermore, there has been a change in service needs, reflecting higher complexities and case mix of patients now being referred.
